The Klamath National Forest Supervisor's Office is Moving

YREKA, CA – Starting on Wednesday, December 7, 2011 at 08:00, the Klamath National Forest Supervisor's Office will be open for business at its new office located at **1711, South Main Street, in Yreka, CA.** The new office is next to the Yreka Office of the California Highway Patrol on the west side of Interstate 5. The new office hours will be from 08:00 a. m. until 5:00 p.m., Monday through Friday.

All telephone numbers will remain the same and all attempts to minimize disruptions to business operations will be made during our transition.

No sales of maps, Christmas tree or firewood permits will occur on December 5 and 6 at either location unless by prior appointment. Please contact (530) 842-6131 for further information.

Siskiyou County owns the building presently occupied partially by the Klamath National Forest and the County Public Works Department will continue with normal operations after the move.
